Kindergarten 2013 Parent Information Night

Dear Parent / Caregivers,

Revesby Public School would like to invite you to attend our Kindergarten 2013 Parent Information Night. On this night we will be showcasing what Revesby Public School has to offer your child as they begin an exciting transition into 'Big School.'

The information night will provide you with an opportunity to meet our School Principal, Mrs Dommerson as well as our Kindergarten teachers. Our friendly staff will be on hand to answer any questions or concerns you might have about your child starting Kindergarten.

You will also have an opportunity to visit our facilities and hear about the learning programs that your child will have access to next year. We will also be outlining the exciting Orientation Program for your child that will commence in October.

We would like to welcome as many families as possible to our information night, so please feel free to invite any other parents of children starting Kindergarten in 2013 to attend.

We look forward to meeting you on the night.
